[Introduction to Gas Meters](#)

9/20/11 3:30-5:30pm class held at our office- 30 Vineland St. Brighton, MA

This class will focus on the differences between the three popular types of gas meters: Diaphragm, Rotary, & Turbine. Each meter is best suited for different applications. If time permits we will discuss pulse outputs and integration with building automation systems.

Please reserve your FREE seat by emailing us training@interstatecontrols.com
